ACTU PS5841 Data Science in Finance & Insurance - Autumn 2022 (Y. Wang)
Assignment - 9
Assigned 10/20/22, Due 10/30/22

This is an optional HW, or a bonus HW. If you choose to do it, your score will be scaled and added to your total score for the course.

Please translate the code in `Bayesian_RV_Grid-R.html` into python.

Please submit your work as hw9.ipynb and hw9.html to `Canvas`.
